SAP-6600

15" Touch Screen Android POS System

Incorporating a true flat LED PCT touch panel for vivid colours with the added reliability that PCT touch panels are renowned for, the Sam4s SAP-6600 Android POS provides outstanding value for money.

The touchscreen technology that drives the unit is designed with efficiency in mind – low power consumption ensures the SAP-6600 is economical and full PCAP technology ensures the touchscreen is highly responsive.
